

With Hallows' Eve (Halloween) behind us, society jumps the gun and throws us into the Christmas season but we, who are active in the church, know there are many events before the blessed day of celebrating Christ's birth. But let us work with a popular Christmas tune (It's beginning to look a lot like Christmas <https://youtu.be/UgyBigTfS5I> for anyone who would like accompaniment) into our recognition of the end of the Church Year.

It's beginning to be the time for Christians  
End of the church year.  
Revelation gives the plan  
Challenge to understand,  
But we know Christ will return again.  
It's beginning to be the time for Christians  
End of the church year.  
With...Advent oh so near  
A blessed time of year,  
As we move along.  
God has told us in Scripture  
His love through the Saviour  
His One and Only Son,  
And we share the story,  
The promise of Glory,  
Until our life is done,  
And we will be among the presence of the Triune One.

Repeat the above.

It's beginning to be the time for Christians  
End of the church year.  
Revelation gives the plan  
Challenge to understand,  
But we know Christ will return again.  
It's beginning to be the time for Christians  
End of the church year.  
With...Advent oh so near  
A blessed time of year,  
Here's the song we sing  
Praise Our Lord and King.
